ESTIMATE # 1075
DATE 03/05/2019

ACTIVITY	QTY	RATE	AMOUNT
Irrigation Monthly wet test would be preformed to make sure irrigation zones are up and running correctly. The service would be done by 3 irrigation techs and a report would be written up and submitted once completed. If any repairs needed would be flagged and approval would be needed before any work would be conducted.	1	282.00	282.00

See attachment for wet test notes
